Blue numbers are the number of scores posted.

Please check to see that the Juniors, Ladies and Seniors are properly marked.

Always shoot for the same club first.

This is my last season as secretary.

New for this year as a trial run for 1 season. (To help with attendance at the last shoot.)

You can shoot back 1 score at the last shoot to make up for a missed score before you shoot your score for the last shoot. You must let the score keeper know of your intensions before you shoot. This counts only for an individual score, not team scores

A club will average 7 shooters at away shoots but is allowed to have one shoot with less than seven shooters.

A big thanks to those who let me know of needed corrections!

If you want to get the scores without waiting for the mail, or have suggestions, send your e-mail address and the club you are shooting for to: wildrivermachine@centurytel.net .

Good Luck!!

Bob
